

Agreement No. 8

**EXECUTIVE SEMINAR CENTER PROGRAM  
SHARED TRAINING FACILITIES AGREEMENT**

**BETWEEN**

CENTRAL INTELLIGENCE AGENCY

Department or Agency

**AND**

**The U. S. Civil Service Commission**

The Executive Seminar Centers exist as interagency training facilities of the U. S. Government administered by the U. S. Civil Service Commission for the benefit of all federal departments and agencies.

The Executive Seminar Center Program offers a series of executive seminars and related learning opportunities in government affairs for career employees and new and advancing managers generally in grades GS-13 through GS-15 (or equivalent) who clearly evidence the ability and potential to serve in top career posts. A limited number of such persons in other grades may attend when their participation serves an approved particular, useful career objective. Detailed information concerning courses and schedules is issued separately by the Commission.

The Executive Seminar Center Program exists to meet the needs of departments and agencies as authorized by Section 8 of the Government Employees Training Act (5 U.S.C. 4101). The costs of operating and maintaining the program are shared by federal departments and agencies using the facilities.

The FY 1976 per enrollee charge will be \$750 for each two-week session and \$1,125 for each three-week session. This charge covers tuition, food and lodging for each enrollee and has been computed to offset the annual operating cost of the Executive Seminar Centers.

One copy of this agreement should be signed and returned to the Executive Seminar Center Coordinator, Room 7615, Bureau of Training, U. S. Civil Service Commission, 1900 E Street, N. W., Washington, D. C. 20415; the other two copies should be retained by the agency.

We received nearly 3,000 requests for spaces in the Fiscal Year 1976 Executive Seminar Program, and we are pleased to announce we can accept most requests. We were able to respond to the significant increase in demand for the Seminar for New and Advancing Managers. This was made possible by scheduling a number of sessions of these seminars in facilities of the University of Delaware at Wilmington, Delaware and by adding one session of the Seminar for Advancing Managers in Carmel, California, where we conducted two sessions in FY 1975. We appreciate the fine cooperation given us by those agencies that willingly agreed to make changes in their space requests to enable us to complete our scheduling.

The enclosed schedule confirms the spaces for your agency in the FY 1976 Executive Seminar Program. Three copies of the Training Agreement should be signed by your agency's authorized official. You should retain two copies and return the third copy to the Executive Seminar Program, Room 7615, Bureau of Training, U. S. Civil Service Commission, 1900 E Street, N. W., Washington, D. C. 20415.

When completing Optional Form 37 (Nomination for Interagency Training), please include nominee data in Item No. 11 as follows: (1) "Seminar for New Managers" - the date that the nominee was first assigned to a managerial position since July 1, 1974, or (2) "Seminar for Advancing Managers" - the date the nominee moved from one managerial position to another since July 1, 1974. A managerial position is defined in FPM Letter 412-2, Executive and Management Development, dated January 29, 1974.

One Optional Form 37 must be completed for each nominee and sent directly to the appropriate Executive Seminar Center at least four weeks before the beginning date of the elected seminar session. Since the new fiscal year is fast approaching, please give your immediate attention to processing nominees for the July programs.
